TIPS FOR TIPPING

Tipping is a personal choice, but you should know that most people who work in tourism here depend on tips as part of their income. While it’s not expected; it’s definitely very much appreciated. The amount you tip is based on the length of your tour as well as the service of your guides. For a short , half-day or less tour \$3-\$5/person is sufficient. For a longer or full-day tour \$7-\$10/person would be appropriate.

TOUR DURATION

Stated tour duration time is approximately the length of the tour and the transportation time to and from the activity. Depending on the location of your accommodation in Guanacaste area, these times may vary.
